Wesleyan Methodist Church; Blythe Bridge ST11 9QA

Located at the heart of Blythe Bridge is the Wesleyan Church, situated on the old main road to Uttoxeter just metres from the junction with the A521 to Cheadle. Standing adjacent to the William Amory Primary School, the association between the two organisations is longstanding and continues to the present day.

The Chapel Church which now stands, replaces a former building originally erected on the same site in 1821. It was rebuilt in 1882 entirely in stone at a cost of £800, and holds about 200 persons. It is also the home location of our Society which meets on the first Tuesday of each month from April to November.

Held within the body of the church are two memorials dedicated to the fallen of the Great War and also in World War II.
In the first instance there is a beautiful stained glass window behind the altar of a kneeling knight in armour looking towards heaven beneath a figure of an angel holding a horn. These two figures surmount the names of those who sacrificed their lives whose dedication is shown below;-
